

## General Notice to Parents

**Subject** : - Instructions relating to deposit of fees.

In obedience of notification bearing number F50-4/2020/20-2 dated 24 April 2020 and notification bearing number F50-4/2020/20-3 dated 16 May 2020 issued by the Department of School education, government of Madhya Pradesh Joy Senior secondary School issues following instructions:

While it is true beyond any pale of doubts that, the grim situation created by global pandemic Covid- 19 has affected one and all and has created unprecedented scenario where the conventional means and modes of teaching needs to be upgraded to comply with the norms of physical distancing in order to curtail the spread of pathogen.

Consequently, the school has adopted information technology tools to create a direct communication between the subject teachers and the class of students so that the class curriculum is completed without any undue or unnecessary delay and the process of learning continues unabated. It is noteworthy that, an App **Joy Konnect** has been developed to assist the students.

Despite of the above, it has been observed that, the tuition fees payable, has not been deposited, this has compelled the school to issue the present notice as several SMS and WhatsApp messages have been sent on the phone number of each parent but to no avail.

The necessity to pay the tuition fees, during the present scenario, has been emphasized by the Hon'ble High Court of Delhi and Hon'ble High Court of Punjab and Haryana in which it has been observed that, **since the school has the burden of paying its staff and incur cost towards related expenditure, the schools are entitled to charge tuition fees.**

In the light of the above, all parents who have not yet deposited the tuition fees are hereby requested to make the deposit within a period of seven days. in case of a personal difficulty in one-time deposit of pending fees, it would be open to deposit the pending fees in four instalments. However in order to avail this facility, the parent shall be required to furnish an undertaking in the form available with the school.

It is advised that, such exercise must be completed within the period stipulated above for deposit of tuition fees in the event of failure to comply with the instructions stated above it shall be deemed that, the parents have no financial impediment and are deliberately not depositing the fees.
